YOUR PARTNERSHIP WITH NATURE

The Royal Zoological Society of Scotland (RZSS) is a wildlife conservation charity founded in 1909. Edinburgh Zoo and Highland Wildlife Park are our gateways to the natural world through which people can experience nature and learn how to protect it.

RZSS works in Scotland and around the world to save endangered species from extinction.

Corporate partnership with RZSS allows your company to engage your customers, staff and their families in ground-breaking conservation work to help create a world where nature is protected, valued and loved.

Corporate partnership also allows you to:

1

Showcase your values and organisation to new audiences

2

Maximise the impact of your sustainability strategies

3

Reverse the decline of at least 50 species by 2030

4

Create a deeper connection with nature for more than a million people

5

Help more than 100 communities to better protect nature

ENGAGING YOUR COMPANY

Big and small organisations alike have a role to play in protecting nature.

Your corporate partnership is designed to suit your needs with exclusive benefits to engage your staff and brand with world-leading conservation and education work.

All corporate partners are given frequent news, updates and engaging media packs for your team.
