

The Royal Zoological Society of Scotland (RZSS) Reciprocal Zoos

Zoo	How to book
Africa Alive*	Visits are permitted on any day with no booking required. Please bring written proof of active RZSS membership for entry.
Banham Zoo*	Visits are permitted on any day with no booking required. Please bring written proof of active RZSS membership for entry.
Bristol Zoo Project	Visits are permitted on any day with no booking required. Please bring written proof of active RZSS membership for entry.
Chester*	RZSS members can visit without booking in advance. Please be aware that children aged 1 or 2 require a paid ticket to enter. This can be pre-booked online or purchased on arrival.
Colchester*	No pre-booking is required. Please visit the ticket office on arrival, with proof of valid membership to collect your free admission tickets which are then scanned at the entrance. For any queries regarding your visit, please contact enquiries@colchesterzoo.org for further information.
Marwell*	No booking is required for RZSS members. Any non-members need to prebook and pay online before visiting. Please bring membership cards and written confirmation of membership type and date of validity.
Newquay*	Book in advance by contacting reception on 01637 873342.
Paignton*	Book in advance by contacting reception on 01803 697500.
Twycross	Please pre-book your admission via the pre-paid tab and use the Gift/Comp Admission Ticket option. Upon arrival, you will be required to show your RZSS membership card. You must bring a confirmation letter/email showing that these memberships are still active and photo ID may also be requested.

*One visit per year. Subject to terms and conditions of the respective sites.

When you visit any of our reciprocal zoos, please ensure to bring proof of your RZSS membership with the expiry date on it. This can be a confirmation email, welcome letter or renewal letter. Membership cards are not able to be scanned by other sites. If you need a new email sent over, please contact membership@rzss.org.uk and we can sort this out for you.
